She says that was very good, but asks if he can worship without singing or talking, and he says, 'oh, yes, of course' she says, that is good, because that's what we are talking about today, can you give me an example, and Gus does the same song and prayer, only without talking. Molly and Karl	Teri then goes to Molly's house and asks her the same question and Molly says that she likes to worship God by counting her blessings, just like the song, and then sings "Count your blessings name them one by one, Count your many blessings see what God has done, Count your blessings, name them one by one, Count your many blessings see what God has done." Teri says, yes, that is a way to worship God, in fact, there are a lot of ways to worship.	Karls Mic Molly Sara Mic

Closing Prayer	Dear God, Thank you for giving us the Bible as our rule book for life. There is so much in there for us to memorize and learn. Forgive us for not taking the time to think about your Word and to meditate on your truths. Teach us to meditate on your Word and help us, this week, to play well for you. In Jesus Name, AMEN.	

AUCTION INTRO:

CUBS 1908:

The Cubs became the first team to win consecutive World Championships. ... Only 6,210 witnessed the final game in Detroit, the smallest crowd in Series history.

A year made little difference, as the 1908 Series was simply a rematch of the '07 Fall Classic. The big stories came *before* the World Series, as the Cubs and Tigers both captured their pennants on the very last day of the regular season.

In Detroit for Game 1, the Cubs trailed 6-5 as they came to bat in the ninth. Tigers knuckleballer "Kickapoo" Eddie Summers had been pitching well in relief to that point, but the Cubs strung together six straight hits and five runs against Summers for a 10-6 triumph.

The clubs traveled to Chicago for Game 2, which remained scoreless after seven innings. But just as they'd done in the ninth inning of Game 1, the Cubs exploded again, this time for six runs in the eighth. Shortstop Joe Tinker got things started with a two-run homer, and Orval Overall cruised to a 6-1 victory. The Tigers finally got on the board in Game 3, George Mullin taking credit for an 8-3 decision, Ty Cobb going 4-for-5 with a double and two RBIs.

Back in Detroit, Cubs ace Mordecai "Three Finger" Brown -- 29-9 during the regular season -- baffled the Tigers, allowing four hits and zero runs. Summers was no match for Brown, as the Cubs won 3-0. And it was more of the same in Game 5, with Overall performing shutout duties this time. The Cubs scored one in the first inning and one in the fifth. Overall did the rest, and Chicago clinched their second straight World Series Championship with a 2-0 win.

Here today, at the Most Valuable Antics Auction, we offer you, this ball from the World Series of 1908 when the Chicago Cubs won their last World Series against Detroit 4 games to 1. This ball was the final hit that won the game!! It's estimated value is at \$2.4 million dollars. It is the last ball to be in a

World Series with a victorious Cubs Championship. YOU CAN BE THE OWNER of this most valuable baseball! Do I hear 2.4 million??
